CIA 1-04 X SCOVILLE HARRIS
KIRKPATRICK, L. H. G.

28 May 1963

MEMORANDUM FOR: The DCI

1. This memorandum is for information only.

2. Stewart Alsop telephoned to say he has heard that Dr. Scoville and Mr. Kirkpatrick have tendered resignations. He wants, therefore, to hold up his story until he can get a confirmation or a denial of this. I told him that I can neither confirm nor deny this report, since I know nothing about this subject. He said he would telephone Dr. Scoville and Mr. Kirkpatrick and ask the question of them.
